

-Experiment - 04

4. Create a visual representation in figma highlighting the key element of mobile network protocol stacks

Aim: Design a visual representation in figma highlighting the key elements of mobile network protocol stacks.

Procedure.

1. Open figma
2. create a new file
3. select the frames
4. fill in the content that is required for presentation
5. Design visual elements
6. Mark it interactive
7. Add Annotation & explanations
8. Storyboard Animation
9. Review & edit the prototype
10. save & Share

Result: Hence visual representation in figma highlighting the key element of mobile network protocol successfully implemented
